Led by Rob Stokely with Analenisgi. Circle of Security® is based on years of research about how to build a strong relationship with your children. It is designed to help you learn how to respond to your child's needs in a way that enhances your connection with him/her, which often leads to changes in the child's behavior. It helps parents give their children a feeling of security and confidence so they can explore, learn, grow, and build positive relationships - all essential skills for life-long success!
